Children under twelve years of age at the time of embarkation, five dollars less than the above; and infants under twelve months thirteen dollars less than the above-named prices, to Boston or Albany, and other places in proportion; but we will not issue a pre-paid certificate for children under twelve years of age, unless accompanied by a passenger over twelve years, who must be paid for at the same time and on the same certificate.

The above prices embrace a steerage passage from Liverpool to Boston, by any of our Splendid Line of Packets; provisions at sea according to the undermentioned dietary scale; doctor's attendance and medicine on board when required; port charges at Boston, and all expenses of transportation of passengers and baggage from the ship at Boston, to the destination agreed upon.

In addition to any provisions which the passengers may themselves bring, the following quantities, at least, of water and provisions will be supplied to each steerage passenger of twelve years of age and over, every week during the passage, commencing on the day of sailing, and at least three quarts of water per day:

Two oz. of Tea; 8 oz. of Sugar; 5 lbs. of Oatmeal; 2½ lbs navy bread; 1 lb. wheat flour; 2 lbs rice.

Children under twelve years of age (not including infants,) are furnished with six pounds of bread stuffs per week, the usual allowance of water, and half allowance of Tea and Sugar.

As soon as our Liverpool House informs us per steamer of the names of *pre-paid* passengers embarked, we publish their names in the *Boston Pilot*, and also notify each purchaser of *pre-paid certificates*, either directly or through our agents.

On the arrival of any of our ships in the outer harbor, we immediately dispatch an agent on board, to give pre-paid passengers the necessary instructions regarding their route westward.

Bedding and utensils for eating and drinking, must be provided by passengers; and those going to the Canadas, or Western States, must furnish their own provisions from Boston.

TRAIN & CO., of Boston, inform those who take an interest in the welfare of Immigrants, that as owners of the ONLY LIVERPOOL AND BOSTON LINE OF PACKETS, they have determined that their Immigration business shall be conducted in their own name, on their own responsibility, and by themselves or their immediate servants.

In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation *as the first of American Lines* is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne ample testimony to the rapid and successful passages made by these Ships, and to the superior Health, Comfort and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusual rapid passages.

Packet Ships which are dispatched in this LINE:

STAR OF EMPIRE,	Capt. BROWN,
WESTERN STAR,	" THAYER,
FRANK PIERCE,	" MARCY,
PRESIDENT,	" CUMMINGS,
CHARIOT OF FAME,	" KNOWLES,
STAFFORDSHIRE,	" RICHARDSON,
PARLIAMENT,	" SAMPSON,
NORTH AMERICA,	" DUNBAR,
DAN'L WEBSTER,	" HOWARD,
PLYMOUTH ROCK,	" CALDWELL,
SUNBEAM,	" PUTNAM,
LEVI WOODBURY,	" NICKERSON.

These Ships, when in the Line, sail from Boston on the 5th of each month, and from Liverpool each week during the year, and are distinguished by a Red Flag with a White Diamond.

OFFICES:

Enoch Train & Co., Nos. 37 and 38 Lewis Wharf, Boston, Massachusetts.
Train & Co., Merchants, No. 5 India Buildings, Water St, Liverpool, Eng.
Train & Co., Passage Office, Nos. 118 & 119, Waterloo Road, Liverpool, Eng.
Train & Co., No. 121 St. Patrick Street, Cork, Ireland.

These magnificent Ships are ALL AMERICAN BUILT and constructed expressly for Packets. They are all new and of the FIRST Class, being built on the most improved principles and of the best materials. They possess all the modern improvements which conduce to health and comfort, as a superior system of lighting and ventilating, the very best Provisions, and a careful medical superintendence. The Captains have been carefully selected as first-rate sailors and men of humanity, and an experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and most popular conveyance to America. As Train & Co. have made such arrangements in Liverpool as will PROTECT their friends from the frauds and impositions sometimes practiced there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of Magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly Honorable and Humane, and that they have been distinguished for the most exact fulfilment of all their engagements, we are permitted to refer to the very Rev. THEOBALD MATHEW, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend JOHN BERNARD FITZPATRICK, D. D., Bishop, Cathedral, Boston.

(COPY.) Boston, January 22d, 1849.

"I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of ENOCH TRAIN & CO., is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.

(Signed) † JOHN B. FITZPATRICK, Bishop of Boston.

NEW AND IMPROVED SEWING MACHINES. THE AMERICAN Magnetic Swing Machine Co., NOW OFFER FOR SALE AT THEIR ROOMS 397 Broadway, N. Y., By far the most perfect and valuable Sewing Machines that have yet been invented.

THE PUBLIC are respectfully invited to call at the rooms of the Company, and examine the operation of the most superior machine ever presented to their notice. It is the result of three separate inventors, each of whom distinct in himself, claims originality. The first of whom is ELIAS HOWE, the first inventor of sewing Machines, who introduced the shuttle movement, without which every machine is comparatively useless. The next was THOMPSON, who adapted the machine to certain portions of tailors' work, and Mr. COON, by means of the peculiar formation of the shuttle combined with other recent improvements of his own invention, has made a machine capable of doing any and all work that can be effected by means of the needle. The machine now offered for sale presents the following distinct and peculiar features:—

1st. It is extremely simple in its construction, and is not liable to get out of order.

2d. The stitches are uniform, perfect, and present a beautiful appearance never before attained by any machine.

3d. The sewing done by this machine is *warranted* never to rip or ravel—a frequent cause of complaint, heretofore from those owning machines of a different character.

4th. Any and all kinds of work can be done on our machine with unusual facility—silk, linen, cotton, or woolen fabrics and leather, each present the same beautiful appearance.

5th. By means of friction rollers the thread can be made tight or loose upon the cloth at the will of the operator.

6th. The length of the stitches can be graduated with mathematical exactness by the operator, from the fine and delicate stitch requisite in shirt making, linen, bosoms, collars, ornamental work, etc., up to the coarsest stitch taken in sole leather, etc.

7th. The finest curvature can be worked, and beautiful designs of flowers, baskets of fruit, representations of beasts, birds, etc., can be as elegantly and elaborately worked by the aid of this machine as by the most skillful seamstress in existence.

The American Magnetic Sewing Machine Co., Have determined to sell the best Sewing Machine in existence, and have succeeded beyond their warmest anticipations. The speed of the machine is also a great feature that must secure the attention of the purchaser. It will take with ease FIVE HUNDRED STITCHES PER MINUTE! REMOVAL AND CHANGE. IMMENSE & ATTRACTIVE STOCK. Morris L. Hallowell & Co., PHILADELPHIA, HAVING REMOVED into their splendid new warehouse, entrances No. 147 Market, and No. 21 North Fourth street, are opening for the Spring trade an assortment of SILK AND FANCY GOODS, that for extent and variety will surpass any stock ever offered in that market. Entering into their new store, which is One of the Largest in America, with a business of an unusual amount already established, and intending largely to increase it, especially with those who buy FOR CASH, and believing that the fairest system in jobbing goods is to have UNIFORM PRICES, they will be compelled to sell at a much smaller profit than can possibly be afforded where long credits are given. Under their CASH AND SHORT CREDIT system the necessity for charging large profits, does not exist, and by selling their goods at a Very Small Advance on the Foreign Cost, They mean to make it the INTEREST of every judge of goods, to buy upon the following TERMS: CASH BUYERS will receive a discount of SIX per cent, if the money be paid in par funds, within 10 days from date of bill. Uncurrent money will only be taken at its market value on the day it is received. To merchants of undoubted standing a credit of SIX months will be given if desired. PATENT MEDICINES.

The Greatest Discovery of the Age.

PROFESSOR WOOD OFFERS FOR SALE A perfect HAIR RESTORATIVE. It will in a short time restore the Hair which has become gray permanently to its original color—bring it out where it is gone, and arrest it where it is falling off—clean the head of the dandruff and itching—removes all cutaneous eruptions, and renders the scalp perfectly healthy by restoring the secretive organs to their original vigor and strength, and thus supply nutriment and coloring matter to it. It does not color the hair, but is, in short, a perfect Hair Invigorator and Tonic—in proof of which he will select from among the mass the following Certificates, viz:—

STATE OF ILLINOIS, CARLYLE, June 27th, 1853.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming, as I thought, prematurely gray, but by the use of his "Restorative," it has resumed its original color, and, I have no doubt, permanently so. SIDNEY BREESE, Ex-Senator United States.

VINCENNES, Ind., June 15, 1852.

Prof. O. J. Wood—Dear Sir:—As you are about to manufacture extensively and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and known others to use it—that I have for several years been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use, will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance, and all this without discoloring either the hands which apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair. WILSON KING.

St. Louis, June 29, 1852.

Prof. Wood—Dear Sir:—As you are about to prepare and vend your recently discovered Hair Restorative, and as you request my opinion of it, I will state that my hair was, a few months since, very gray, and after using two bottles of your Hair Restorative it assumed its original color; and since its application all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied that those who use it will not regret it, as it gives the hair not only its original color, but it gives it the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair. H. L. STEWART.

The following certificates speak for themselves, as the gentlemen whose signatures are attached, are known to thousands:—

St. Louis, September 20, 1852.

Dr. O. J. Wood—Sir:—I have used nearly two bottles of your Hair Restorative, and have found its effects very satisfactory. It has entirely destroyed all dandruff from my head and has restored my hair to its original color, which had become quite gray. WM. TRUESDAIL.

St. Louis, September 29, 1852.

Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it, discovering, to my great astonishment, that my friend's hair, which, when I last saw him before, was very gray, had been completely restored to its original color, having as fine glossy appearance as it had when I knew him twenty years ago. I commenced using the Restorative about five weeks ago, and am perfectly convinced that it will produce the desired effect, it having restored the color of my hair, more than half of which was white, to precisely the same it was when I was twenty years old, with the same healthy and glossy appearance. I have no hesitation in recommending it to my friends and the public generally, believing that if used according to directions they will not be disappointed. Yours, very respectfully, N. B. HOLMAN.

BLISSFIELD, June 10, 1853.

Prof Wood—Dear Sir: Since you request me to give you a statement of the effects of your wonderful Restorative upon me, I cheerfully state, in reply, that I have now used three bottles of it, and although my hair when I commenced its use was a silvery white (my age being sixty-five) in one month's time it had resumed precisely its original color and so perfect that my friends all thought I looked twenty years younger than usual, and scarcely knew what to make of what they considered a perfect miracle, until I informed them it was but the result of an invention of yours called Hair Restorative. I will also state that I was much troubled with dandruff and itching, particularly when in perspiration; but it only required three or four applications to remove all dandruff and itching; and although my hair had fallen off until I was somewhat bald, I now have as fine a head of hair, both in color, softness and lustre, as I had when but a youth, and quite as abundant. It is proper for me to state that I commenced its use in August last, and used none since January. I have no doubt therefore but what the change is a permanent one. I can therefore recommend it as the most wonderful discovery of the age in which we live. S. M. RANDALL.

Extract of a letter from R. Thorn, Sheriff of La Salle county, Illinois:

OTTAWA, Ill., August 21, 1853.

Prof O. J. Wood—Dear Sir: Yours of June 21st, accompanied by a bottle of your Hair Restorative, was received. I very soon thereafter commenced using it, and it has entirely restored my hair to its natural youthful color. There is considerable inquiry for the article, &c. Very respectfully, yours, R. THORN.

One Hundred Years Ago.

Dear Sir:—Two months since, I never expected to write such a letter as this, to say that I am clear of the Rheumatism. I hardly know what to say or how to account for it after suffering for the last seven years the most excruciating pains man can endure. At every coming storm my whole body and joints were in the greatest torment man can bear, and somehow or other, it always appeared to me as if nobody pitied a man with the Rheumatism. Now I will also state, while on this subject, that the Rheumatism was a pitiful inheritance of my ancestors. I remember some thirty years since, when my father lay crippled on his bed with this disease, and of hearing him tell that his father and grandfather some 100 years ago, were melancholy afflicted in like manner. But now I can tell you I ask no pity from any man on that score, as I can do as good a day's work as I ever could. I used only three small bottles of your wonderful Mustang Liniment, and now feel like myself again. Thanks to you and your invaluable Liniment. MOSES DUNCAN, Shoal Creek, Mo. To Dr. Bragg & Co., St. Louis, Mo.

☞ The following is but a small synopsis of what the Mustang Liniment will cure:

One bottle, 50 cent size, is warranted to cure the Scald Head.
One to two 50 cent bottles will cure the Salt Rheum.
One 25 cent bottle will cure the Caked Breast.
One small bottle is a certain cure for Sore Nipples.
One to three dollar bottles is warranted to cure the worst case of Rheumatism in any form, and one 50 cent bottle will cure any case of recent standing.
One to two small bottles will cure the Neuralgia.
One bottle, 50 cent size, will cure the severest Burn or Scald.
One dollar bottle will cure the Spinal Disease.
One small bottle will cure the Piles in any stage of the disease.
One to two 50 cent bottles will cure the Scrofula, in any case.
One small bottle will cure Chapped Hands.
Two to four bottles, 50 cent size, used in connection with the recipe for "Old Sores," accompanying each bottle, is warranted to cure the severest cases of Old Sores, commonly called Fever Sores on the legs or shins, that have resisted all other treatment.
One dollar bottle will cure the Ring Bone, Splint or Scratches in horses.
One dollar bottle will effect a permanent cure of the Spavin, Sweeny, or Poll Evil.
One 50 cent to a dollar bottle will cure all cases of Galls, Chafes, Fresh Cuts and Lameness.
A beneficial effect is always experienced from the first application and a perfect cure is warranted when used according to directions.

☞ *Cure of Salt Rheum of Ten Years Standing.*—A lady residing near Lynn, Osage Co., Mo., had the Salt Rheum on her head during the last 10 years, causing pain and torment. Six weeks ago it assumed a very dangerous character, spreading all over her head and face in the most frightful manner, so much so that her life was despaired of. She tried every remedy her doctor could prescribe but all to no effect. One of her neighbors recommended the Mustang Liniment as the last resort. Accordingly a bottle was procured and used as directed; the result was an immediate relief, and an entire cure in four weeks after commencing the use of the Liniment. Here are her own words to us a few days since: "I never expected to see so many pleasant and happy days as I have since I used your renowned Mustang Liniment. If the prayers of an afflicted woman can benefit you, then I freely bestow mine. I used about four bottles of your Liniment and am now as well as I could wish for."

A Cure of a Severe Scald.—Eight days ago an engineer working in a foundry in the upper end of the city, thro' some mishaps, got his hands and face badly scalded, so much so that the skin came entirely off. He suffered the greatest pain until the wounds were dressed with the Mustang Liniment and wrapped up in cotton batting, which, as soon as done, the pain ceased and the patient fell into a quiet and peaceful slumber. [We learned on yesterday that he is now well and attending to his business as usual.] Such facts are worth remembering. The Mustang Liniment is warranted to cure any disease requiring an external application.

It is put up in bottles of three sizes, and retail at 25 cents 50 cents and $1 per bottle. The 50 cent and one dollar contain 50 and 100 per cent more Liniment, in proportion to their cost, so that money is saved by buying the larger sizes.

The Work for To-day.

The People, in council yesterday, nominated as candidates for office on the general city ticket, the following persons;

Mayor—GEORGE H. WALKER.
Comptroller—CICERO COMSTOCK.
Treasurer—ALEXANDER H. JOHNSTON.
Marshal—TIMOTHY O'BRIEN.

It is unnecessary, doubtless, for us to inform any one who shall read this article, who GEORGE H. WALKER is. As one of the oldest residents of our city, he is well and favorably known to its people, who have given repeated evidences of the esteem in which they hold him, by overwhelming votes in his favor. The general voice of his hosts of friends has called for his nomination for re-election to the office of Mayor in which he is now faithfully serving our citizens. This has been done in his absence, and it would be anything but handsome thus to use his name, only for the purpose of allowing him to be defeated.—What single good purpose is to be answered by changing him for Mr. Kilbourn, we cannot perceive; and therefore we believe the people will leave well enough alone, and return Mr. Walker again to the office. He is now absent in the service of the city, and cannot act or speak for himself. Let the people act and speak heartily in his favor.

For Comptroller, an officer who has the charge of the complicated accounts of the city, amounting to hundreds of thousands of dollars, the candidate on the People's Ticket is CICERO COMSTOCK, the present capable and faithful incumbent of the office. Mr. Comstock has had the labor of organizing this department and has become familiar with its responsible duties. It is an office of very great responsibility, and requires more than ordinary ability to fill it. It should not be lightly entrusted to any one. Without detracting at all from the standing of Mr. Comstock's opponent who has performed the duties of chief clerk in the Post Office to universal satisfaction, we still think that our citizens owe it to themselves to retain Mr. C. in an office in which he has served them so well.

For Treasurer, ALEXANDER H. JOHNSTON, the present incumbent, in re-nominated. After a sharp struggle, he was elected on the People's Ticket last spring, and has discharged the duties of his office with faithfulness, and fairly earned a re-election.

TIM O'BRIEN, the present Marshal, is the candidate for re-election also. He has hosts of friends, is one of the best workers in the world at an election, and very hard to beat. Against him, there is JOHN MITCHELL, the regular democratic candidate, JOHN BURKE and JOHN ROSEBECK, independent. There will be a free fight, and it is difficult to say which would make the best officer, if elected.

For City Attorney, the People's Convention made no nomination. We have been desired by many citizens to suggest the name of ALLEN LEWIS, Esq., as a person well fitted for the office, and tickets will doubtless be found at all the polls with his name upon them.

ELECTION TO-DAY.

From all appearances there will be very little need of urging the people of Milwaukee to turn out to-day to elect their municipal officers, since we have not seen a time for some years when a more general interest was felt in the result, both by candidates and electors. Yet it is quite possible that some of our citizens whose vote and whose influence may be important, may be inclined to remain at home, and suffer the election to go on without them. To such we would only say that the interests at stake are large, and growing large, daily, and that if they expect to have men of the right kind to make and execute laws and ordinances, they must help to elect them.—If the right men are *not* elected, the stay-at-homes have no reason to find fault. That is a very poor sort of patriotism, republicanism, or democracy, which does not exercise the elective franchise upon the few occasions when it is called upon.

The PEOPLE have three or four times carried the city of Milwaukee. Let them be up and doing, and achieve another triumph to-day!

The Ward Tickets for Aldermen.

The contest is likely to be severe in some wards for aldermen. In the first, besides the regular democratic nominees, P. McDONOUGH, a worthy Irishman, resident for some years in the ward is on the people's ticket for the 2 years term, and Mr. PRENTISS is an independent candidate with deservedly a strong influence in his favor for a re-election for 2 years. For the 1 year term, WILLIAM B. HIBBARD, every way a capable man, with troops of friends, is the people's candidate His opponent is *not* VICTOR SCHULTZ, as has been understood, but Mr. SCHUTTE, who keeps a grocery store just below the City Hotel.

We have neither time nor space to go through with the list of nominees, and can easily sum up that which we are obliged to omit, by expressing our belief that by electing the people's candidates, our city will get in every case as good, and in several cases better men than the party nominees.

Look carefully at the ballots before you vote, and cast the vote for the best men.

The Straight Cut.

We invite attention to the following card, signed by numerous well known citizens and firms, relative to Mr. Walker's sentiments as to the Straight Cut Harbor. It seems scarcely necessary to make any such assurances, were it not that Mr. Kilbourn's letter declaring that *he* is in favor of action, is used by some unscrupulous parties as a sort of wild argument to prove that Mr. Walker is *not.* One would suppose, from the manner in which this letter is used, that the Mayor of our city has power to put the harbor under contract, and build and pay for it, all of his own account. The truth is that the Mayor can do nothing without the concurrence and in carrying out the action of the Board of Aldermen, so that *they* are the officers to be looked after. However, it is well enough to have both of the candidates for Mayor on the record:

A Card---The Straight Cut.

We have seen a correspondence between sundry citizens and Mr. Kilbourn about the Straight Cut. Some have been led to believe that Mr. Walker has been lukewarm on that subject. Several of the undersigned were most zealous and active in procuring the law for the Harbor loan and the city vote in its favor and in urging on the work. It is known to several of us by frequent conferences with Mr. Walker, that he is earnestly in favor of the immediate completion of that important work—that his Real Estate interest will be more benefited by it than that of any other individual—that he has been laboring, and is now at Washington laboring to advance that object—that his brother Senator Walker procured the appropriation for the straight cut—and that of all the men who have been named for the office of Mayor, he can be most relied on for the zealous prosecution of that enterprise.

A Straight Bolt.

The *Morning News* of yesterday placed only the names of the candidates nominated on Saturday for Treasurer and Marshal at the head of its columns, omitting those for Mayor, Comptroller, and City Attorney. It bolts, plainly and directly, the nomination of Mr. Kilbourn for Mayor. Concerning that nomination it says;

> We were not tutored to that school of democracy. If that be democracy in Wisconsin, we dont belong to the democratic party. It is beyond the power of ten men packed into this convention who voted Byron Kilbourn, to cram that kind of democracy down our throats.

And further the *News* adds;

> The nomination and election of Kilbourn, are intended to operate on Congress as an endorsement by the city, of his well known advocacy of the LAND GRABBING policy, the effect of which would be to promote the schemes of the ROCK RIVER VALLEY SWINDLERS, and secure the building of a road which would KILL MILWAUKEE. Kilbourn is now and always has been, a confidential friend of A. Hayatt Smith.

The People's Charter Convention.

The Convention at the Common Council Rooms yesterday morning exhibited one thing very distinctly, to wit.—a very excited state of feeling, and there was of course much confusion, and things were not conducted exactly in regular firm. However, call it a delegate meeting or a mass meeting, it nominated a good ticket,—a first rate ticket.

☞ Recollect that the Aldermen for 2 years are to be voted for on one ballot, and *all the rest* of the officers, including the ward candidates, on another ballot. Splits are innumerable, therefore look sharply at the ballot before you vote. We expect to record a very heavy rate.

☞ We trust that neither the two colleagues of Mr. Prentiss on the board of Aldermen, nor heir friends have found anything invidious in our mention of his services as Aldermen. Both Mr. HADLEY and Mr. JENNINGS have been entirely faithful to their duties, and if it had come our way we should have said as much for them. The first ward has been well represented on the Board, and we hope that it will be so this year.

FOR MARSHAL.—We are requested to state that JOHN ROSEBECK, of the 5th ward is a candidate for City Marshal, and means to be elected, if he can, and to serve the people faithfully if elected.

People's Charter Convention.

A convention of delegates from the people's meetings of the several Wards in the city of Milwaukee, was held at the Common Council rooms in said city on Monday, March 6th, at 10 o'clock A. M. Said convention was organized by the selection of N. Tompkins, as Chairman, and James Holton, as sec'y. The following persons were reported as delegates to said convention:

1st Ward—John Furlong, James Murray, Mathew Keogh.

4th Ward—Sumner H. Johnson, J. L. Pierce, James Holton.

5th Ward—John L. Burnham, C. C. Dewey, N. Tompkins.

On motion of James Murray, the following persons were duly nominated for city officers:

Mayor—Geo. H. Walker.
Comptroller—Cicero Comstock.
Treasurer—Alex. H. Johnson.
Marshall—T. O'Brien.

N. TOMPKINS, Ch'n.
J. HOLTON, Sec'y.

Legislative Matters.

CORRESPONDENCE OF THE SENTINEL.

Madison, March 3, '54.

The Senate, to-day, has been quite lively. Considerable matter introduced, and twenty-eight bills and memorials passed; all however of a local character and not sufficiently interesting to lubricate the joints of a *tale.*

Senator Bowen read a very sensible report of a majority of the committee to whom was referred a bill to provide for the election of Emigrant Agents. The report was adverse to the passage of the bill. It represented that the system was an evil and a source of loss to the state; that it was quite as absurd to send an agent to New York to protect foreigners from imposition, as to send one to protect our own citizens.

This report was followed by a minority report, strongly urging the importance of the system and its beneficial influence upon the state. It supported the idea that the state should follow the policy of individuals similarly situated, who, if they possessed a single county of land, would expend more to secure its speedy settlement, than the whole state does, under the agency system.

The Senate *indefinitely postponed* the bill to repeal the Wisconsin Central Rail Road, almost unanimously, and I believe they showed their wisdom in so doing. The arguments in the Assembly in favor of repeal, towards the close of the debate, displayed a narrow policy and bad statemanship. Besides, if Wisconsin should begin to charter Rail Roads one year and repeal them the next, Wisconsin R. R. stock would soon be at a ruinous discount.

In the Assembly a petition was presented by Mr. Remington for the division of the County of Adams. Mr. McCracken presented the proceedings of a meeting in Marquette County in support of the liquor law, in which were some threats against the refractory, which seemed to me hardly suitable to be made to a legislature body.—No exceptions however, were taken to the language of the paper.

An example of the loose legislation but too common in this state, occurred this morning—A bill was introduced by Mr. Ketchum to incorporate the City of Portage and asked that the rules be suspended and the bill put upon its passage, which was agreed to. It being a *long* bill, it was proposed that it be read by its title. Mr. McIndoe at first demanded the reading, but being assured that it was all satisfactory to the gentlemen representing that locality, he withdrew his call and the bill was read by its title and passed.

If it be a correct principle for one to dispose of a "long bill" in this way it undoubtedly is for the other, and if it be safe and proper for both houses to pass a long bill without knowing what it is, it is equally safe and proper for the Governor to sign it in the same way, and thus a "long bill" becomes a law, and not more than two or three men men in the world know what is in it. Such legislation is worse than a farce. It might much better be entrusted to those justices of the peace in the village to be incorporated, and authorize the trustees, when incorporated, to amend as they think proper. The motion that if a bill of this kind suits the representatives of the locality, it is all right and no one has any right to complain, is egregious error. The representatives of the locality may be entrusted in securing provisions which would be prejudicial to the best interests of the people of the town, and legislators have no more right to suffer a law to pass allowing local oppression and wrong, than they have to allow a general law of the kind to pass. Members are very liable to mistake the interests of those having a local bill in charge, for the interests of the people of that locality, when, often times, they are quite adverse. Besides, the people of a town or City, are not the only persons interested in its Charter. It interests every man, wherever he may reside, who holds property within the corporation or its vicinity, and to a certain extent, of every man in the state; and finally, it opens a wide door for legislative *smuggling;* that is—to "wring" in and pass through some obnoxious measure which could not pass in open day light. I need not inform your nor your home readers that your own city has suffered much, both in her pecuniary interests and her reputation, by this very notion that if her charter is made or amended so as to suit the representatives from that city, it is all sufficient. The local representatives may be ever so honest, yet they cannot be presumed to posses the combined wisdom and sagacity of a whole legislative body, and there are but few subjects of legislation which require more legal and legislative skill than the municipal regulations of a city. It is only the prevailing custom of passing such acts without examination, or if examined, surrendering the common judgment of the house to that of the local representations, that I condemn.

Another loose peg in our legislation, and near of kin to the one just mentioned, is the practice of considering and passing bills *without printing.* It is not enough in order to an accourate understanding of a bill, proposed to be enacted into a law of the land, that a member hear it once read, in the rapid enunciations of the clerk. A bill must be examined *critically* and even *studied,* in order to a correct understanding of its leged provisions. The construction of statutes, is a judicial duty which requires, perhaps, as much ability and learning, as any other duty incident to the judicial station. How then, can a man who is not a lawyer at all, understand the force and effect of an act by hearing it read once, at a distance of 5 to 20 yards, and amidst the noise and confusion to an assembly of a hundred men? The thing is impossible. He must trust to the word of some leader, that it is all right, and go it blind. Perhaps he could not understand it any better if he had a printed copy, but he should have an opportunity to try. The idea of dispensing with the printing of bills, as a matter of economy, is a most mistaken one. It costs ten times as much to rectify the loose and improvident legislation consequent thereon, as it would to print every bill that is introduced. Every bill should be printed before acted on, if it has but one section in the bill, and but one line in the section. Little words sometimes mean great things.

The Governor this morning sent in the Report of the Board of Regents of the University, which will soon be printed. A joint resolution introduced by Mr. Earnest, instructing our Senators to ask a re-print of Owen's Geological Survey of Iowa and Northern Illinois, was passed by suspension of rules. The remainder of the morning session was spent in committee of the whole, fishing for undebatable matter.

The afternoon session was spent as usual, in committee of the whole on the liquor bill. Mr Knowlton's amendment to the effect that the act should not be so constructed as to apply to the sale of liquors authorized by any act of Congress was discussed at length and finally adopted. Mr. K., supported his amendment on the ground that Congress had the constitutional right to regulate the traffic to a certain extent, and that a provision of that kind was unnecessary to define the meaning and intent of the act, and referred to judicial decisions to illustrate and enforce his agreement.

Messrs. Orton and Hull spoke of the amendment as altogether superfluous, nugatory, absurd and ridiculous; both maintaining that with this amendment or without it, the prohibition would be unconstitutional. Mr. Orton illustrated by supposing the legislature should pass a bank charter, and not even submit it to a vote of the people; no one could doubt that such an act would be unconstitutional; but upon the principle of this amendment, if they were to add a clause that nothing in the act should be construed to be unconstitutional, then it would pass current with the courts, as a valid law. Mr. Remington, as I think, tripped up the objections to constitutionality, by saying, that as it was acknowledged on all hands that both Congress and the State Legislature had a right to legislate on the subject, within certain limits, respectively, the state authority over the question, and when it came in contact with any law of Congress, the state law would be *simply inoperative.* It seems plain enough to my untutored mind, that this is the correct view of this question which has occupied the time of the Assembly for three half days; and if so, I do not see that Mr. Knowlton's amendment could affect the act, one way or the other.

Mr. Barney offered an amendment providing that complainants under the act, should in all cases give security for costs, and supported it on the ground that without it, numerous complaints would be made and not sustained, and the counties would be saddled with the costs. By way of illustration, he told the chairman, (Mr. Donaldson) that he could, under such a law as this without any affidavit and on a mere statement before a justice, that he believed some one had been selling him liquor, arrest him on his way home to *Waupun.* The *association* was electrial and a simultaneous roar filled the hall, and which the honorable Chairman seemed to enjoy as heartily as any one. Pending the question on the amendment, the committee rose and had leave to sit again. We may hope that another sitting will bring the bill before the Assembly and that the end *will come.* S.

Fox River Valley Railroad.

We received on Friday evening from Waterford and Burlington, Racine Co., the letters which we publish below. In the present crowded state of our columns we shall have to defer comments upon the subject. Meantime, we call attention to the fact, now apparent, that our Illinois friends having got control of the charter, are determined to build to Rochester, *and there stop,* satisfied for some time with draining off the trade of part of three counties to Chicago, and then leaving their Waukesha victims to there disappointment.

"A STOCKHOLDER" speaks of the power to build the "branch" road. So there is such power, but it is in the hands of the company, and *their* determination is shown by the Waterford letter. How much longer will our Legislature persist in legislating for Illinois, and against the interests of all of our Lake Shore towns, who are spending their means like water to build roads into the country?—;

Burlington, March 1st, '54.

Messrs. Editors:

I saw an article in your paper a few days since in relation to the Fox River Valley Rail Road, as to what is being done, &c.

We are moving in the matter in this vicinity, and are fully determined to build the road. At a meeting of the Board of Directors, held at this place on the 22d Feby, a resolution was adopted, instructing the Chief Engineer to put the road under contract, from the State line to Rochester (18 miles) as soon as a stipulated amount of stock should be subscribed. I am informed by the agents of the company that they have procured very near the amount required, say within $25,000.

Judging from the interest that is felt in the project along the line, there is no doubt this small amount will be taken in a very few days. Therefore I do not hesitate to say that this first division will be under contract in four weeks, as the line is located from the state line to this place, and a large portion of the right of way secured.

I think that Milwaukee should wake up to this subject and meet us at Waterford or Rochester with the Branch, (which by the terms of our charter we can build,) and secure the trade of this rich valley, also the trade and travel of Southern Wisconsin, which will come over the Racine and Beloit Road, which crosses our road at this place. I cannot see why this will not be an important road for Milwaukee. A glance at the map of Southern Wisconsin & Northern Illinois, and you will at once perceive that it is the most direct route for that region of country, to take to the eastern cities via Milwaukee & Grand Haven. I hope to hear more from Milwaukee on this subject.

A STOCKHOLDER.

Waterford, March 1st, '54.

Messrs. Editors:

The Fox River Valley Railroad will be a hard drain on your city. It is now nearly fitted for the ties and iron from Elgin in Illinois, to Richmond at the south line of our state. The Company intend putting it under contract from Richmond to Rochester in Racine County, in a few weeks and intend to have this part of it in operation by December next, if this is done you can readily see that this country laying within 25 miles of Milwaukee, will do its business in Chicago. The Directors inform me that they have abandoned the idea of going to Waukesha with the road for the present. We Waterford folks want them to locate the Road as far north as our village, but tho' they will not do unless we take a much larger amount of stock than will build it from Rochester to Waterford. We offered to take the stock in the entire branch from Rochester to Milwaukee, but this they refuse to let us have. It looks a little like the dog in the manger. However, they have got the Chorter, and the more of the country Chicago can draw on to their Chicago & Galena Road at Elgin, the more money they will make, but where are your Milwaukeeans?

Yours truly,

S.

Waterford, March 1st, '54.

☞ We are again under obligations to Mr. JOHN W. HUNT, Deputy Secretary of State, for a list of Acts &c., passed by our Legislature up to noon of March 3d, in continuation of the list already given in our columns.

NOT A WHIG FROM THE NORTH!—Senator BRODHEAD, of Pa. (dem) in his late speech in favor of the Nebraska bill, said that "he had hoped that at least one Northern Whig would have voted for the bill, and that that one would be his colleague (Mr. Cooper) who was a friend of the Compromise of 1850." Mr. Cooper, and all the other northern whig Senators, *oppose* that wicked measure, and we hope that the vote will show three at least of the whig Senators from the Southern states against it.

MISREPRESENTATION.—The *Sentinel* misrepresents the proceedings of the Democratic City Convention. It says "a resolution, endorsing the Baltimore Platform, and declaring hostility to free soilers, was introduced, put to a vote and declared carried." The only vote taken was on a motion to lay the resolution on the table, which was carried, not a vote being in the negative.—*Free Democrat.*

We had our information from a reliable source, and, though we don't see that it is worth quarrelling about, we think that our imformant must have been correct.

THE CANAL ELECTION IN NEW YORK.—The total vote cast *for* the Canal amendment was 185,768, *against,* 60,493. Total vote cast 246,261.—Here is a noble vindication of the Whig canal policy of the Empire State.

SHEBOYGAN & MISSISSIPPI R. R.—The *Evergreen City Times* states that over $40,000 of stock in this road has been taken in Sheboygan within a few days, in addition to that already subscribed.

One of the anecdotes which is told in burlesque of Dr. Vernon's Memoirs, is supposed to form part of the memoirs of an apothecary of Montmartre. A boy had swallowed a five franc piece. None of the faculty could devise any alleviation. The apothecary of Montmartre was sent for. It is evident, said he, that so considerable a coin can never be forced up by any emetic known to science. However, let him take this pill, and flattering consequences will be likely to ensue. An hour afterwards the boy threw up the five francs, but in small change, princcipally ten sous pieces.

THE PROHIBITORY LAW IN MISSISSIPPI.—*The Vicksburg Whig* of the 16th states that the bill which passed the lower branch of the Legislature last week, for the suppression of the liquor traffic, also passed the Senate on Tuesday eveniing, but with many amendments.

THE WAY TO GET UP AN EXCITEMENT.—The New York Tribune, in its furious efforts to get up an excitement against the Nebraska bill does not hesitate to manufacture imaginary meetings and "expressions of public opinion," right and left. The last in this line is the following:

> ALABAMA.—A Mobile paper states that the Legislature has passed a resolution in opposition to Mr. Douglas' Nebraska Bill. In the lower House the vote was 80 to 27.

Now, this happens to be a Mobile paper speaking of the *New York* Legislature.—*Morning News.*

The paragraph alluded to is given on the authority of the New Orleans *Picayune* of the 17th, which says that the Mobile *Tribune* of the day previous announces the fact.

HORRIBLE! HORRIBLE!!

More Murders!! In Waushara County.

Two men shot dead—and another mobbed and hanged till dead by a party of 400 *men.*

The Land Claim difficulties between Messrs. Furman and Cartwright which less than a year ago terminated in the murder of the former, had hardly passed from notice among the Chronicled Tragedies of the day, ere we are agan called upon to announce another similar one in that neighborhood, rendered more shocking in that three men have been murdered in cold blood—two men shot and one hung—strung up in regular California style, till dead. The facts of the Cartwright and Ferman affray have gone to the country; the latter was shot, pierced with two balls, from the effect of which he survived but a short time—Cartwright was arrested for the act and lodged in jail to await his trial; at the last term of the Waushara Circuit Court the trial of the cause was continued to the coming May Term and the prisoner remanded back to jail. Ever since the murder of Ferman the greatest indignation has prevailed in that neighborhood against Cartwright. Last week he was bailed out, and against earnest remonstrances, returned home, with the avowed determination it is said, to avenge himself in the death of others. When it was ascertained that he was in their midst, the inhabitants to the number of one hundred repaired to his residence intent upon lynching him. He had taken refuge in the chamber, and repelling their advances shot from his retreat and killed two of the party—James Langdon, who leaves a wife and child, and a Mr. Troop, both of middle age; and then being sensible that further resistance was useless surrendered himself into the hands of an officer with the assurance of protection; thence he was removed to a Justice's office for examination.

By this body of men he was forcibly taken from the officers, tied hand and foot, and but a short distance from the place, where he was seized and supended by the neck until dead. He was hanged last Sunday about 5 o'clock in the afternoon, and the body was allowed to remain until about 10, when the friends were permitted to remove it. Mr. C. was a man about 60 years of age and leaves a wife and large family.

Thus, within one year have four lives been sacrificed, all for the paltry item of a 40 acre claim. May we not now hope that it is the last affray of the kind. Oacis—in the county of Waushara, will long be remembered as the "Bloody Ground." We shall give a full statement of the affair connected with this tragedy when they come more in detail to our knowledge.

The Lynching Affair on the Indian Lands.

A correspondent sends us the following account of this dreadful affair:

BERLIN, Wis. March 2, 1854.

Messrs. Editors:

There has been quite a war upon the Indian Land, some 30 miles West of this village, within the last few days, the cause and result of which as an item of news, you and your readers may be interested in learning. Frederick Cartwright indicted in the Waushara Circuit for the murder of Peter S. Furman, was recently admitted to bail under the new construction of the murder Laws by Commissioner Buttrick, of Oshkosh, and last week passed through this village, en route to his home and family upon the Indian Land. While in this village his friends and counsel urged him not to return to his home, it being in the same neighborhood of the late Furman fearing that the friends of Furman would raise a mob and lynch him; but Cartwright was fearless and determined to visit his family, from whom he had been absent more than a year. He left this village on Friday morning last, and reached his home in the evening of that day, on the night following hostilities commenced. About sixty men surrounded his residence, a log house and some three or four of the leaders entered and inquired of the family for Cartnright. His wife replied that she did not know where be was; upon this they opened the door leading up stairs and saw Cartwright standing at the head thereof, armed with a muskett, Cartwright first spoke, ordering them to come no farther, but not heeding him they rushed up and Cartwright fired, killing the foremost instantly. They then went outside and one troup led the way in setting fire to the house, and while in the act of filling wood and rubbish against it for that purpose received a charge of buck shot in his chest, of which he died the next morning. The Rioters then abandoned firing the house, and sent a number of their party for officers to arrest Cartwright,—the balance remaining on guard, during the night to prevent Cartwrights, escape.

The next day about noon, the officers consisting of a constable and a justice of the peace arrived and ordered Cartwright to deliver himself up, he replied that he would if they would protect him from the mob! The officers assured him of protection from the violence of the mob, and he then surendered himself unarmed into their custody. The officers took him to one Waterman, a justice of the peace, about 4 miles distant for examination, but had scarcely arrived there when the rioters re-inforced by some forty or fifty desperadoes from the pinery, again interfered, took Cartwright from the hands of the officers bound him, and strung him up upon the nearest convenient tree, where he hung until about 9 o' clock Sunday evening, when his friends took down his body and conveyed it to his family.

This terminates one of the deadliest of the Indian land claim quarrels; I say *terminates,* for it is quite questionable whether the Grand Jury of the limity of Waushara will think it worth while to punish the executioners of last night.

Yours &c., BERLIN.

We have been accustomed to record such things, as occurring in Texas, Arkansas, and other border states, till they have come to excite a passing attention; but we did not suppose that there were ten men in Wisconsin who would engage in such murderous affair. It is the legitimate fruit of that sickly sympathy which refuses to obey laws for the punishment of crime, and makes *murder a bailable* offence. Lynch law has thus come in to disgrace Wisconsin, and its spirit has imbued the hands of many in the blood of a fellow man. We hope, though we confess it to be a faint hope, that the authorities and people of Waushara Co. will vindicate their good name by bringing the offenders to justice.

MR. CASS ON THE NEBRASKA BILL.—Mr. Cass's tedious speech on this bill has at length come to hand. Its position is admirably described by the following paragraph from the New York *Tribune;*

> Mr. C. does not like the bill as amended, because it repeals the Missouri Compromise, although he believes the Missouri prohibition unconstitutional. Nevertheless he will vote for the bill.

There's a position for you!

POLICE COURT.---March 6.

The case of the state vs Peter Kleine et al adjourned till March 18th at 9 o'clock A. M.

FIRE.—A fire, which is believed to be the work of an incendiary, took place yesterday morning between 3 and 4 o'clock, on Chestnut Street, in which two buildings were destroyed. The Eagle Tavern to which was attached a brewery was destroyed no insurance, owned by Mr. Meister. A Grocery kept by Mr. Oberman was also destroyed loss on this building about six hundred dollars over insurance; insured for $600. Mr. Meister we understand estimates his loss at $300. The fire was first discovered between the two buildings, the space between them was about 3 inches. The loss falls particularly heavy upon Mr. Meister, who has lost a quantity of furniture about, 800 bushels of barley and malt besides his buildings.

The Nashville passed the British fleet to sail for the seat of war, off Cowes.

Preparations for war still active. It is stated that the remainder of the Cunard steamers will be taken as fast as they arrive. Many East India sailing ships have also been taken to carry stores, troops, &c. At all of the naval stations the preparations are on a stupendous scale.

The Baltic fleet, of 36 ships, chiefly of the line, and powerful steamers, was to assemble in the Downs on the 6th, where it would be joined by 10 French vessels of 80 and 100 guns each.

The whole fleet, to be under the command of Admiral Sir Charles Napier, is intended for operations against St. Petersburg.

The steamer *Hecla* had already left for the Baltic to make surveys and soundings.

Rumor of peace, however, were still in circulation.

Hopes are generally entertained that the negotiations would be successful.

In the House of Lords on 14th a long debate on the eastern question took place—nothing new was elicited.

In Paris on the 14th the French funds fell considerably, owing to unfavorable news from St. Petersburgh.

Considerable excitement was caused in the Park yesterday, where Mr. Orr, *alias* Gabriel was preaching to the multitude. An allusion to Catholicism led to a fight between the Irish and Americans, in which one man was badly beaten—Police interfered and made several arrests. Additional by the Nashville.

In all the dock yards and arsenals of France, the greatest activity prevails. We have a copy of the autograph letter addressed by Napoleon to the Czar, the receipt of which at St. Petersburgh must have brought the long agitated Eastern question to a crisis.

Spirited debates on the subject in question had taken place in the British Parliament.

Money market retained its easy character, the English funds were pretty firm, a little affected by the warlike preparations—consols being last quoted 91⅛.

Cumberland, March 5th.

The recent strikes of the miners in the coal regions h re it is feared will cause serious trouble, if not bloody riot. The strikers went to several of the miners and forced those laboring there to quit immediately. It is reported that several hundred miners are arriving from New York for the purpose of aiding the rioters.

Former Opinions of Mr. Pierce.

The following opinions, formerly held by President Pierce will be read with some interest at the present crisis:

"He had only to say now what he had always said, that *he regarded Slavery as one of the greatest moral and social evils—a curse upon the whole country, and this he believed to be the sentiment of all men, of all parties, at the North.*"

"He was free to admit that he had himself approached this subject of annexation (of Texas) with all his prejudices and prepossessions against it, and *on one ground alone—its Slavery feature.* His convictions on this subject were, as had been stated, strong—not the result of any new light, but deeply fixed and abiding *The only difficulty in his mind ever had been, that of a recognition by any new act of our Government of the institution of Domestic Slavery*, and he had found it extremely difficult to bring his mind to a condition, impartially to weigh the arguments for and against the measure."—[Gen. Pierce's Speech in reply to John P. Hale, at the North Church, in Concord, June 5, 1845, as reported in *The New Hampshire Patriot* of June 12, 1845.

"*I would take the ground of the non-extension of Slavery—that Slavery should not become stronger.*—But Congress have only renacted the old law of 1793. Union loving men desiring peace and loving their country, conceded that point—*unwillingly conceded it* and planting themselves upon this law against this outburst of popular feeling, resisted the agitation which is assaulting all who stand up for their country. But the gentleman says the law is obnoxious! *What single thing is there connected with Slavery that is not obnoxious? Even the gentleman from Marlboro'* (Dr. Batcheller, and Abolitionist) *cannot feel more deeply than I do on this subject.*" &c.—[Gen. Pierce's Speech in the New Hampshire Constitutional Convention, Jan. 1, 1851.

River Transportation.—We understand that Messrs. Moore & Fitzgerald, who own the three steamers on Lake Winnebago, spoken of elsewhere in this paper, have contracted to transport a large amount of wheat during the ensuing season from Fond du Lac to this place, at lower rates than it can be taken by any other route to the lake shore. Bearing in mind that the river improvement is but partially completed, and that there must be two transhipments and fifteen miles of land carriage on the route, this arrangement speaks volumes in favor of the river.—*Green Bay Advocate.*

City Auction Room.

March 1st, 1854.

SPRING COMES IN UPON US THIS MORNING, and no doubt we all hail it with pleasure. Yet we have no complaint to make of the winter that has just passed, for we have all enjoyed health and prosperity; but new ideas, and new designs, and new promises always follow with the fresh breezes of Spring. We are now ready to enter upon our duties with delight, and forget and forgive the past, and in view of it all. I would remind my old and new acquaintances that I continue in the

General Auction and Commission Business,

at the old stand, No. 148 East Water Street, (where I have been for years,) ready to attend to all business of every character and description, which may be given in my charge.

I have been engaged for a long time in said Auction Business and have endeavored to do right; yet in many instances, I may have erred. My arrangements for the present year will be somewhat different. I design to finish off the Second Story, with a Stairway from the Front, for a

REAL ESTATE ROOM,

where a Register will be kept of all the Real Estate which may be left with me for sale, and their prices. The Lower Room will be appropriated to the General Auction and Commission Business in all its various branches, and at as low a rate as it possibly can be done. As for Promptness, I presume no one can complain. As for References, you can select any one in our City.

I now call your attention to the Valuable Real Estate, which is left with me for sale:

Lots 13, 14, 15 and 16, Block 92, First, Ward, the most beautiful Lots in our City for Residences; street all graded.

Also several other improved Lots in First Ward, at from $1,000 to $6,000.

Also, I would call your attention to Lot 4, Block 87, Fourth Ward, on the River.

Also, middle ⅓ of Lot 9 Block 6, Water street, 3d Ward.

I would also call your attention to a very superior Farm, 1 mile from the town of Delafield, Waukesha County, containing Two Hundred Acres, with a Brick House, Barn, Orchard, &c., which will be sold very cheap for Cash. The owner is going to California.

PROSPECTUS OF

Thos. H. Benton's Great Work.

THIRTY YEAR'S VIEW, of the working of the American Government. Published by D. Appleton & Co., New York, and sold exclusively by subscription.

During the last thirty years there has been no important public measure in which this active and distinguished statesman has not taken an able and decisive part, and been familiar with the influences, whether secret or public, which have urged forward or opposed each. He is therefore well qualified to write the history of this period.

This work will be completed in two volumes, the first of which will be published early in the year 1854, and will be brought down to the close of the administration of Gen. Jackson, and will thus form a complete work by itself, containing about 700 double column, royal 8 vo. pages, and a superbly engraved portrait of Senator Benton.

Price $2,50, payable on delivery of the book.

The book of subscription, together with specimen sheets, can be found at the law office of Messrs. TUCKER & GARVEY; and the Agent will soon give an opportunity to persons desirous of subscribing to do so at their residences and places of business throughout the city and county. jan12

QUEEN'S PATENT PORTABLE FORGE AND BELLOWS.

THIS FORGE can be set where most convenient for light and room, and the smoke conducted to the Chimney by a Pipe.

There are six sizes of Blacksmiths, Coppersmiths, &c. Forges, and five sizes of Jewelers, Dentists and Chemists.

It is compact—the Twier Iron is of a superior construction—heats the iron in the quickest manner—the wind escapes from the hot-air chamber through several holes in the Twier cap, which being under the fire, prevents the Twier from getting filled up with coal and ashes, as it will where there is but one opening. For out-door work and for safety in-doors, this Forge has great advantages over others, having two Slides by which the Forge can be closely shut up, and for safety and many purposes in-doors, (particularly for Jewelers, Dentists and for chemical operations,) all the fumes from charcoal and acids being conducted through the smoke-pipe, or when open they are entirely out of the way; it is also so constructed that fire or water cannot injure the Bellows, which is in the cylinder under the fire bed.

It is the best Forge for Contractors on Railroads, Public Works, (for making repairs on the same,) and for emigration to new countries, ever offered to the public, and are successfully used by most of the Steamers and also by the U. S. Army and Navy.

PATENT MEDICINES.

HIGHLY IMPORTANT ANNOUNCEMENT.

To the Afflicted Everywhere,

DR. A. L. ADAMS' LIVER BALSAM COMES GREETING!

DR. A. L. ADAMS' NEW THEORY OF DISEASE, is awakening the inquiry in the minds of all who read it. How is it that Americans have been so long and so lavishly immured in darkness and ignorance on the subject of disease.

DR. A. A. ADAMS' LIVER BALSAM.

The great Panacea of Disease is offered to the afflicted of the States and Territories for the entire cure of Liver Complaints in all stages, Bilious Fever, Ague and Fever, Chronic Lung Fever, Dropsical Affections, Coughs, Consumption, Asthma, Jaundice, Bowel Complaints, Diarrhoea, Dysentery, Rheumatism, Piles, Scrofula, Salt Rheum, Dyspepsia, General Debility, Nervousness, Costiveness, Indigestion, Female Complaints, &c.

Dr. A. L. Adams' Liver Balsam now sustains the highest reputation of any remedy before the public and has proved to the most skeptical, beyond a shadow of doubt, that it is the only reliable medicine ever discovered! (being purely vegetable) for the permanent cure of the above disease. The most skeptical have become its most sanguine votaries, and pronounce the Liver Balsam to be the only reliable harbinger of health to the afflicted everywhere.

Testimonials come up from every track it has made, swollen with expressions of gratitude for the relief received by its use. And, in submitting this, the Liver Balsam is recommended to those suffering under the iron grasp of the monster disease, and at once procure one bottle of Dr. A. L. Adams' Liver Balsam.

The reader's attention is called to the perusal of the Medical Circular, which can be obtained of every agent throughout the United States, giving a clear epitome of the causes and cure of disease; also, of certificates of those who have tested its unparalleled ascendency over the diseases to which we are all subject.

"Every Family should have a Copy."

5000 COPIES sold in less than three months! A new edition, revised and improved, just issued.

DR. HUNTER'S MEDICAL MANUAL AND HAND BOOK FOR THE AFFLICTED—Containing an outline of the origin, progress, treatment and cure of every form of disease, contracted by promiscuous sexual intercourse, by self-abuse, or by sexual excess, with advice for their prevention, written in a familiar style avoiding all medical technicalities, and everything that would offend the ear of decency, from the result of some twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added, receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of the Fever and Ague, for twenty-five cents a copy; six copies one dollar; will be forwarded to any part of the United States, by mail, free of postage. Address, postage paid, Cosden & Co., Publishers, or "box 196, Post Office, Philadelphia.

"This is, without exception, the most comprehensive and intelligible work published on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however fastidious, can object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and 'with too little breath to puff,' and 'too little presumption to impose,' he has offered to the world at the merely nominal price of 25 cents, the fruits of some twenty years most successful practice."—Herald.

"No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge."—People's Advocate.

A Presbyterian clergyman in Ohio, in writing of "Hunter's Medical Manual," says: "Thousands upon thousands of our youth, by evil example and the influence of the passions, have been led into the habit of self-pollution without realizing the sin and fearful consequences upon themselves and their posterity. The constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Any thing that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of human wretchedness, would confer the greatest blessing next to the religion of Jesus Christ, on the present and coming generations. Intemperance, (or the use of intoxicating drinks,) though it has slain thousands upon thousands, is not a greater scourge to the human race.—Accept my thanks on behalf of the afflicted, and, believe me, your co-worker in the good work you are so actively engaged in."

One copy will be forwarded (securely enveloped and post-age paid,) on receipt of 25 cents, or six copies for $1. Address, COSDEN & CO., Publishers, Box 196, Philadelphia.

NOTICE.

On Wednesday, Oct. 14th, I shall have the Pedigree and Terms for the season of the Comet Morgan Horse (lately brought from Vermont by me) printed and bound, ready for those wishing the use of him the first season, to enter their names. Season to commence the second day of April, and end the 31st day of July. He is limited for the season at fifty-two mares, two of them my own. It is claimed by those owning the Black Hawk Stock that stands so high in Vermont, that the *original* Black Hawk was sired by the Old Sherman Morgan, the grand sire of my horse. If so, the same cross blood can be raised in this State, and at a far less expense than to import them from Vermont; that was one reason for my bringing Comet Morgan West. His pedigree is fully authenticated.

F. BROWN'S Essence of Jamaica Ginger.

THIS ESSENCE is a preparation of unusual excellence. In ordinary diarrhoea, incipient cholera, in short, in all cases of prostration of the digestive functions, it is of inestimable value. During the prevalence of epidemic cholera and summer complaints of children, it is peculiarly efficacious; no family or individual should be without it, as it enables the system to resist the influence of incipient disease which lurk in a changing climate.

CAUTION.—Be sure to get the genuine essence, which is prepared only by F. BROWN, at his Drug and Chemical Store, N. E. Corner of Fifth and Chestnut Streets, Philadelphia, and for sale by all the respectable Apothecaries in the United States. je25-1yr

THE BUFFALO EAGLE IRON WORKS CO.

Propose to pay Particular attention to

Architectural Iron Work.

WE are prepared to Manufacture IRON FRONTS for Stores and Public Buildings, with the

Patent Fire Proof Rolling Shutters.

These Shutters are the same that are now so generally used in New York, and may be put in any Window, Small or Large, and if arranged before erection of the building, may be used without in the least affecting the style of Architecture. They make the only perfect Fire Proof Shutters, and do not appear to the eye when rolled up.

When desired we will furnish the Plan for Store Fronts, (with or without the Patent Shutter,) with estimate for the Cost of the work finished ready for delivery. To our Western friends we think this arrangement will be desirable, for they thus are enabled to know without experiment what the Front is to be, and what it is to cost.

When the Patent Shutters are used we will furnish a man to superintend the erection of the Iron Front and the setting of the Shutter.

PATENT MEDICINES

DR. URBAN'S
ANTI-BACCHANALIAN ELIXIR:
A Safe and Sure Remedy for the Cure of
INTEMPERANCE.

IT is not in the least injurious to the system. It is pleasant to the taste, and will cure the hardest cases of intemperance. We *warrant* it, in all cases, if taken according to directions. It destroys the desre for all ardent spirits when strictly taken according to directions, and will restore the individual to the same state of sobriety in which he was before he ever drank a drop of the ardent, and he will not have the least desire for intoxicating drinks.

Intemperance is a disease; and as such the greater the excess in drinking, the more speedily is the disease developed, and to such the Elixer is presented as the balm of Gilead—the oil of consolation, peace and perfect restoration.

The more fully developed is the disease the more salutary and powerful the effects of this Elixir, at once destroying the appetite for spirits, and restoring the tone of the stomach to as healthy an action as it was before drinking a drop of ardent spirits; and when intemperance has assumed this diseased form, reason is measurably dethroned, the will to a certain extent becomes ungovernable, until often, alas! many have passed the bounds of sober restraint, and though they may desire, in their sober moments, to abandon the use of that which is so rapidly proving their bane, they cannot, unaided, and no aid has ever been tendered such, with success, until the discovery of Dr. Urban's never failing Anti-Bacchanalian Elixer; since which time none are left without excuse, as the means necessary to destroy the taste, and again enthrone reason, bringing the will into perfect subjection, by extracting the poisonous sting and temptation of the adder, are placed within every man's reach; those, therefore, who hereafter fill the grave of the drunkard must do so by choice, and not of necessity—it matters not how near it you may now be.

As the Elixir is a most powerful purifyer of the blood, the seat of all diseases, it has been used with great success, and is highly recommended in cases of Delirium Tremens, Dyspepsia, Epilepsy, Neuralgia, Liver Complaints, General Debility, Piles, and all kinds of Fevers. It is the best alterative known.

☞ The Anti-Bacchanalian is neatly put up and labelled, with full directions accompanying each bottle. Price $3 per bottle. On the receipt of the above sum it will be sent, free of charge, to any part of the United States. All letters to be prepaid. To be had from all the principal Druggists in the United States.
URBAN & DIDLAKE, 35 Third Street,
Louisville, Ky.

Dr. Urban's Vegetable Fever and AGUE POWDERS

The only sure remedy ever known for Chills and Fever, an warranted to cure, in all cases, if taken according to directions.

It cures, when taken according to directions, in TWENTY MINUTES, leaving no Fever, after the Chill; very seldom requiring more than ONE DOSE to make a PERMANENT CURE. A great number of cases, from two to five years standing, have been CURED with the FIRST DOSE, and the Chill has never, as yet, returned. The beauty of this medicine is, that it stops the Chill in TWENTY MINUTES, or less, and the patient will be entirely clear from Fever after the Chill, which is not the case when any other medicine is used. It has superseded all other preparations wherever it has been introduced.

Read what the Editors of the Louisville Democrat say from their own observation:

"Dr. Urban's medicine for the cure of chills and fever has effected some wonderful cures in our own midst. A young man who has resided for several years in Louisiana, reached New Albany a few weeks since, weak and emaciated—literally worn out physically, with long continued chills and fever.—He made a short stay at the house of Judge Smith, where his old disease continued with no less severity than at home in Louisiana. Having exhausted almost every remedy known to the medical profession, he procured a box of Dr. Urban's celebrated medicine, and after taking two powders was entirely relieved and restored to health. He has been well ever since—says his health has not been as good for several years, and is now fast regaining his former vigor and the rosy cheeks he was wont to wear."

This medicine can be had at the manufacturers' Depot, 65 Third St., between Main and Market, Louisville Ky., wholesale and retail. URBAN & DIDLAKE.

☞ On the receipt of $1 the Powders will be sent, free of charge, to any part of the U. States. It may also be obtained of all the principal Druggists in the country.

HUNTER'S CELEBRATED

PREPARED BY
CURTIS & PERKINS, DRUGGISTS,
BANGOR, MAINE.

Proof Positive—Skeptics Read—Testimony! Testimony!!

HAMPDEN, Feb. 24, 1846.

Messrs. J. Curtis, Jr., & Co.—GENTLEMEN,—

I have a word to say to you, in favor of Hunter's Cough Syrup. I have the past year used in my practice, two dozen bottles of it, which I had of you, and every bottle has done good. For eight years past, I have been in the practice of Medicine, and I never have found any thing, so well calculated to operate so favorably in all diseases of the lungs as that is. I have known a hard, distressing cough, cured in forty-eight hours, by using (in broken doses) one bottle of it. One case here in particular, of a man who was thought to have a seated consumption, troubled with a hard distressing cough. I let him have one bottle, and he had two more of your Agent, Mr. Whitmore. After using the 3 bottles, he has become well, and now labors every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults, and have the pleasure to inform you that it has done good in every case. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity. BENJAMIN L. POMEROY.

THE ROAD TO HEALTH!

HOLLOWAY'S PILLS.

These Pills being composed entirely of medicinal herbs are of a most harmless nature, while the extraordinary virtues they possess have rendered them universally popular in nearly every part of the world. The immense success they have met with throughout the States is most extraordinary, owing, it is presumed, to their wonderful efficacy in the cure of Billous complaints and disorders of the Liver and Stomach. Persons who preserve in using them in accordance with the directions, seldom fail in being restored to health.

WEAKNESS AND DEBILITY,—RESTORATION TO HEALTH OF A GENTLEMAN, AGED 45, WHEN AT DEATH'S DOOR.

Copy of a Letter from the Rev. Charles Smith, dated Norton, St. Philips, near Bath, Somersetshire, 17th August, 1853.

To PROFESSOR HOLLOWAY,

He at last used your Pills, and under providence was restored to health by their means. He lately emigrated to New York, and has just written to say, that he was never better in health, and desired me to acquaint you with the circumstance. I ought also to mention, that my wife had derived great benefit from the use of your Pills.

I remain, Sir, yours, respectfully,
CHARLES SMITH, Dissenting Minister.

This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,

MEDICATED INHALATION.
A NEW METHOD.

A MOST WONDERFUL DISCOVERY has recently been made by Dr. CURTIS, for the cure of Asthma, Consumption, Bronchitis, Coughs, Colds, and all Lung Complaints, by Medicated Inhalation. Dr. CURTIS'S HYGEANA, or INHALING HYGEAN VAPOR and CHERRY SYRUP, has accomplished the most wonderful cures of Asthma and Consumption in the City of New York and vicinity for a few months past, ever known to man.—It is producing an impression on Diseases of the Lungs never before witnessed by the medical profession. [See certificates in hands of Agents.]

The Inhaler is worn on the breast, under the linen, without the least inconvenience, the heat of the body being sufficient to evaporate the fluid,—supplying the lungs constantly with a healing and agreeable vapor, passing into all the air cells and passages of the lungs that cannot possibly be reached by any other medicine. Here is a case of

ASTHMA CURED.

BROOKLYN, N. Y., Dec. 20th, 1853.

For about eight years I have been severely afflicted with the Asthma; for the last two years I have suffered beyond all my powers of description; months at a time I have not been able to sleep in bed, getting what rest I could sitting in my chair. My difficulty of breathing, and my sufferings were so great at times, that for hours together my friends expected each hour would be my last. During the past six years I have had the aid and attendance of some of the most celebrated physicians, but have received no permanent benefit, and but little relief. I at length had the good fortune to procure Dr. Curtis's Hygeana or Inhaling Hygean Vapor and Cherry Syrup. At the time I first obtained it, I was suffering under one of my most violent attacks, and was in great distress, almost suffocating for want of breath. In less than ten minutes from the time I applied the Inhaler to my stomach, and took a teaspoonful of the Cherry syrup, I was relieved in a great measure from the difficulty of breathing, and had a comfortable night. I have since continued it with the greatest possible benefit, and am now comparatively well. God only knows the amount of suffering this medicine has relieved me from. My advice to the suffering is,—TRY IT.

CONSUMPTION CURED.

[illegible] NEW YORK, Dec 27th, 1853.

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick; when I reached this city, my health was very poor; had a very bad cough, raised a great deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case Consumption, and beyond the reach of medicine. I accidentally heard of Dr. Curtis's Hygeana, or Inhaling Hygean Vapor and Cherry Syrup, and obtained a package, which I verily believe was the means of saving my life.—Soon after wearing the Inhaler, I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the Inhaler. I took the Cherry Syrup as directed, and continued to do so, my cough gradually growing better, until it entirely left me, and I now consider myself cured. I still wear the Inhaler, as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, I feel unwilling at present to dispense with it. JOHN WOOD.

Sold by BOYD & PAUL, No. 40 Cortlandt street; C. H. RING, corner of John street and Broadway, N. Y. Price $3 a package.

N. B.—Any person inclosing $3 to BOYD & PAUL, or CURTIS & PERKINS, New York, will receive a package containing a bottle of Hygean Vapor, one of Cherry Syrup, and an Inhaler, in a neat box, by express, free to any part of the United States; or four packages for $10. feb1-1ydw

DOCTOR D'S
Old Lock Hospital.
NO CURE. NO PAY.
No. 112 Wells Street, Chicago.
The Only Certain Remedy

FOR THE CURE OF SECRET DISEASES, at 112 Wells Street. By the strict system established at the LOCK HOSPITAL, 112 Wells street, all patients are secure of absolute privacy. The advantages of this system are too well known to need any comment. All who have any need of advice or attention from Dr. D. may confide in him with a full assurance of secrecy, and certain hope of recovery. Some of the most learned and famous men of the country have been under his charge—men of generous, intellect and power—and in no instance has the strictness of privacy been violated.

Invalids must be cautioned against the illiterate and unlearned in science, who do so much injury by quackery and imposition. The Vegetable Medicines of Dr. D. are now fully established, as the only certain remedy for venereal complaints, and those who are afflicted with such complaints, are seriously warned not to tamper with them by trusting those who practice the abuse of mercury and balsam.

Dr. D. freely invites all troubled with disorders to call upon him. His charges are regulated by the circumstances of the case. No charge will be made where a cure is not effected. Dr. D. is a regular physician, having devoted many years to the exclusive study of these diseases, comprising, in their various shades, gonorrhea, syphilis, impotency, all diseases of the bones, &c. Nothing is needed but to call upon him, to make every thing satisfactory in a moment. Such is the absolute efficacy of the method of cure that no question can possibly exist about it, when once an individual becomes acquainted with the wholesome and certain process. It is but for a man, to say he is afflicted, and see himself cured.

The greatest point for the consideration of every body is to avoid all communication with persons unqualified to give them relief. Serious and dangerous consequences ensue, more than the world is aware of, from the treatment of quacks and impostors.

The only certain way is to visit the Lock Hospital, or Dr. D's office, at No. 156 Wells street, and at once place yourself under his care.

☞ Office will be kept open from 9 A. M. until 9 o'clock at night.

All letters (post paid) will receive prompt attention. Any person wishing a private room until cured can have it by applying to Dr. D. aug8-dlyr

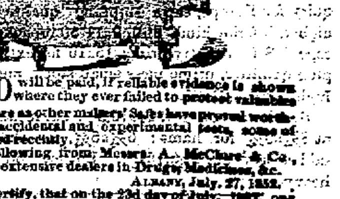
FireKing Safe, again Triumphant.



$1,000 will be paid, if reliable evidence is shown where they ever failed to protect valuables from Fire, where as other makers' Safes have proved worthless in various accidental and experimental tests, some of which occurred recently.

Read the following, from Messrs. A. McClure & Co., wholesale and extensive dealers in Drugs, Medicines, &c.

ALBANY, July 27, 1852.

This is to certify, that on the 23d day of July, 1852, our entire Stock, composed of Turpentine, Alcohol, Oil, Patent Medicines, &c., was consumed by fire; so rapid and severe was the fire that we were unable to close one safe until Mr. Pohlman subsequently entered at the peril of his life and closed the doors.

After forcing the safe open after all this exposure and fire, which made us so careful for the safety of its contents, its valuables were found uninjured.

We have so much confidence in the security of the Fire King, that we shall have it immediately replaced.
A. McCLURE & CO.

ALBANY, Dec. 19, 1852.

This is to certify, that on the 7th day of May, 1851, I purchased of J. McB. Davidson, No. 7, single flange Safe, and that the same was subjected to a severe test on the 19th of December, 1851. After the fire was extinguished, its contents (books and papers,) were examined, and found to be perfectly preserved—not a leaf of my books being scorched.
P. J. CLAASSEN,
Importer of Wines, Cigars, &c., Broadway, Albany.

After an examination of P. J. Claassen's Safe and papers, we are convinced of the superiorty of Davidson's Safes over all others.
